# BIGELOW®

## Fine Teas & Herb Teas

### What's Special About Bigelow Specialty Teas

Freshness! Because tea absorbs odors and moisture from the environment, a paper overwrapped tea bag can lose its taste profile and quickly become stale. Bigelow's individual foil overwrap protects each tea bag, assuring its freshness for up to two years.

### Wooden Tea Caddy

Designed for the fast-paced service of Family Style Dining, this handy tea caddy is a convenient alternative to the Bigelow tea chest. A perfect size to be left on a table, it holds up to 30 individual Bigelow tea bags.

### Tea Chest

A tableside presentation of the Bigelow tea chest enhances any fine dining experience. Elegantly designed, this hardwood tea chest can also be used for refreshment breaks at meetings and conventions.

### Tray Pack

Perfect for any office setting, this self-merchandiser features Bigelow's most popular blends. Stylish and attractive, it is frequently used as a starter kit, or for corporate gifts.

### Promotional Tools

Increase your sales with Bigelow's wide variety of marketing-related materials. Tea samplers, flyers, and numerous point-of-sale items are available upon request.

### Merchandising Racks

Bigelow Tea display racks are ideal for creating impulse sales on cafeteria lines or other self-service stations. They also organize inventory in back-of-the-house settings. Available empty or filled in 2 sizes (to hold 6 or 10 boxes).
